

Click. Review. Publish.

The fastest way to add your before and afters to your website!

Announcing the new BRAG book™ API integration with 4th Dimension EMR software!
Now, aesthetic practices can securely send patient photos directly from their EMR to their website gallery using the BRAG book plugin.

4th Dimension

- True cloud software
- Created by a plastic surgeon
- No contract required

BRAG book by Candace Crowe Design

- Upload your own photos fast
- Expertly showcase your work
- Have the best before & after gallery possible
