

BRAG book
Before & After Gallery

5 Minutes Is All It Takes!

Get fully SEO'd before and afters onto your website
in less than 5 minutes by using BRAG book.

Announcing BRAG book V2.

We've taken 11 years of your feedback into account when building BRAG book **V2**.

V2 now offers features never seen before like Quality Score and Reports and Analytics right in your dashboard for your review each and every time you log in.

BRAG book gives you the power to build a well structured, search optimized, professional before and after gallery on your website. BRAG book is loaded with tools that help you get the most out of your before and after photos. Anyone from the surgeon to administrative assistant can easily upload images.

- **Reports & analytics:** in a glance see how well your gallery is performing - **NEW**
- **Expertly showcase your work:** filter to help with user experience - **NEW**
- **AI enhanced advanced SEO:** show up in image search - **NEW**
- **Advanced photo editing:** crop, overlay, edit, watermark, and censor with ease
- Fast and easy uploads and double the leads
- Proof of a quality gallery with Quality Score - **NEW**

Pricing
